Windham Fire Department

Post Office Box 202, Windham, New Hampshire 03087-0202

The Windham Musical Arts Association is a non-profit organization that works to promote and maintain an enthusiastic interest in the various phases of the Windham High School and Windham Middle School music departments.

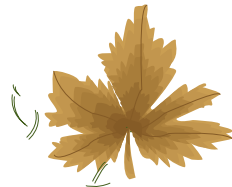

We provide all possible support both moral and financial. This includes, but is not limited to: coordinating volunteer efforts for concerts, festivals, receptions, parades and fundraising; providing funding for the purchase of music scores, buses for field trips and festivals, workshops, sponsoring events like homecoming, and providing scholarships for graduating seniors; and coordinating donations for music program related events such as food for receptions, and water for parades.

Our strong volunteer base is what makes all our efforts possible and we are continually looking for new people to join our group whether they are parents, community members, staff members, lifelong musicians, or just lovers of music.

If you'd like more information about how you can become involved you can speak with any of our board members or visit our website at www.windhammaa.org.

Executive Board:

- Diane DiPersio -President
- Alice McInnis - Vice President
- Donna Khabbaz - Treasurer
- Dawna Parent - Secretary/Membership
- Suzanne MacKimm - Volunteer Coordinator/Database Manager

Windham Endowment *for*
Community Advancement

Post Office Box 4315, Windham, New Hampshire 03087

As the Endowment concludes its Capital Campaign for Windham High School, having provided almost \$100,000.00 in capital equipment for the school, we are excited about our other work, which extends far beyond the schools, including partnering with local organizations such as the Windham Community Band, Boy Scout Troop 266, and the Windham Historic Commission. We also have dedicated funds for the Nesmith Library and the Greenhouse Project, as well as scholarship funds and the General Endowment Fund.

Charitable giving arises from a sense of generosity, a wish to help others, a desire to improve the community; it does not require great wealth. Whatever your interests are within our community and whatever your financial resources may be, the Windham Endowment should be of interest to you.

We ask that you consider supporting the Windham Endowment as part of your annual charitable giving - your donation to the Endowment will help support your local community and those organizations closest to you.

For more information about the Endowment, please visit our website, www.windhamendowment.org.

Mission Statement:

The Windham Endowment for Community Advancement is a non-profit community foundation created to enhance the quality of life for all Windham residents, now and for generations to come. The Endowment provides a way for individuals, organizations, and corporations to channel their philanthropic giving for educational, cultural, recreational or environmental initiatives within the Town.
