

The work of the Windham Endowment depends on continuing support from our community. Your support has created 28 funds, and we continue to grow. As a completely volunteer-run 501(c)(3) organization, we are able to maximize the use of gifts made to the Endowment—over 97% of money received directly benefits the donor’s chosen areas of interest and provides a lasting impact on our community.

**Please make the Endowment part of your annual charitable giving.**
