

Become a 2021 corporate partner and support our work in the Windham community

This has been a difficult year for individuals, businesses, and nonprofits alike. The Windham Endowment for Community Advancement was no exception. Despite the challenges presented by the pandemic, we have continued to execute our mission to improve the quality of life for residents in Windham. We continued our focus despite the need to cancel our major 2020 fundraising event, the Fall Foliage 5k, while re-imagining new ways to support our community.

A few examples of our accomplishments in 2020:

- Created the COVID-19 Response Fund to address food insecurity, safety, and other needs of seniors, students, families, and individuals. Recipients include Windham's Helping Hands, Shepherd's Pantry, the Senior Center, McCauley Commons residents, Windham School District, Windham Post Office employees, and Windham Town Hall employees
- Continued work with our partner, Friends of Moeckel Pond, toward permanently restoring Moeckel Pond and creating a new public space for recreation
- Awarded \$12,500 in college scholarships to Windham High School students

And a look ahead to new initiatives:

- Installation of an ADA-compliant dock and boat launch at Moeckel Pond, with signage and other amenities, will make the pond fully accessible to the public (scheduled for spring 2021)
- An additional \$4,500 in scholarship awards will be available to graduating seniors next year
- Activities to celebrate and expand our work in 2021 to honor our 15-year anniversary

To continue to advance our community efforts in 2021, we need your partnership through an annual sponsorship.

A sponsorship offers year-round benefits to our corporate partners, such as recognition on a designated sponsorship page on our website, in our quarterly newsletter, and through social media posts, as well as at proposed events in 2021.

If you would like your sponsorship dollars to reach a broad constituency within the community or would like to learn more about the foundation, please contact us at 603-437-0686 or ContactWE@WindhamEndowment.org.

Our Mission

The Windham Endowment for Community Advancement is a non-profit community foundation created to enhance the quality of life for all Windham residents, now and for generations to come. The Endowment provides a way for individuals, organizations, and corporations to channel their philanthropic giving for educational, cultural, recreational, or environmental initiatives within the Town.
