

Overview of Current Funds

Unrestricted

General Endowment Fund

This fund supports organizations and projects within the Town that may not have their own dedicated fund. Distributions are at the discretion of the Board of Directors to wherever the current need is greatest.

Administrative Fund

This fund supports operations of the Endowment. It is funded through direct contributions, activities, and administration fees.

Culture / Community

Cultural Fund

This fund supports cultural, historical, and fine arts projects and needs within Windham.

Connie Markoff Fine Arts Fund

This memorial fund supports fine arts organizations and projects within the Windham community.

COVID-19 Response Fund

This fund supports organizations and projects within the town that have been impacted by or arise from the effects of COVID-19 on the community.

Searles School and Chapel Fund

This fund supports the needs of Searles School and Chapel. Proceeds from the Endowment's 2010 Community Advancement Award were used to establish the fund.

Town Beautification Fund

This fund supports the project to enhance and beautify Windham's Town Center.

Underhill-Levin-Gross Library Fund

This fund was established with initial funding provided by Windham resident Mary Lee Underhill and named in memory of her colleagues, Dr. Murray Levin and J. Gross. Annual distributions from this fund will enhance the collections, programs, and facilities of Nesmith Library.

Windham Actors Guild Fund

This fund supports Windham's community theatre group. Proceeds from the Endowment's 2011 Community Advancement Award were used to establish the fund.

Windham Community Bands Fund

This fund supports the needs of the Community Bands. Proceeds from the Endowment's 2009 inaugural Community Advancement Award were used to establish the fund.

Environment

Environmental Fund

This fund supports conservation and environmental initiatives within Windham.

Moeckel Pond Fund

The Endowment Environmental Subcommittee is working with Friends of Moeckel Pond to restore Moeckel Pond and provide easy access to the pond for all residents of Windham.

WIRE (Windham Initiative for Renewable Energy) Fund

This fund provided capital to install the wind turbine and solar array at Windham High School. The infrastructure is integrated into the student curriculum and future funds will support increased opportunities for students to explore the benefits of alternative energy sources.

Recreation

Recreational Fund

This fund supports projects in meeting the growing recreational needs of the Windham community.

Boy Scout Troop 266 Fund

This fund supports Eagle Scout projects, scholarships for summer camp, and capital purchases for Boy Scout Troop 266, for which the Endowment is the charter organization. It was established with contributions from individual donors.

Don Zimmer Memorial Fund

This fund will help children of families-in-crisis to participate in after-school and summer recreation programs, carrying on Don Zimmer's legacy of generosity to youth recreation.

Education / Scholarship

Educational Fund

This fund supports and enhances the broad educational needs of the Windham community.
