WIRE DONOR OFFERS CHALLENGE TO OTHER DONORS

WIRE (Windham Initiative for Renewable Energy) is very excited to announce it is over half way towards its \$60,000 goal AND has received a very generous challenge by a donor who offers to match any donation made to WIRE up to a \$20,000 maximum. An anonymous donor has made this offer in memory of Stephen O. Anderson, who passed away at the age of 62 of metastasized cancer. Mr. Anderson's passions were technology, nature and teaching. Those passions are also the foundation that WIRE is built upon and will continue through the kind and generous establishment of this fund.

If you've contemplated donating to WIRE, please do so soon to get the maximum benefit of this terrific opportunity and double your donation.

Tax-deductible donations large and small have been made via donations through The Windham Endowment for Community Advancement's Windham High School Capital Campaign (www.windhamendowment.org). If your company offers a matching donation, your \$100 donation could be worth \$400 through the matching of our generous donor and your company match!

WIRE's Alpha project includes a moderate sized wind turbine that can be lowered for study, photovoltaic solar array, weather station and monitoring system to be installed at Windham High School and incorporated into the Science curriculum allowing WHS students hands on experience as well as encourage and give a head start to students that may be interested in pursuing various careers in the burgeoning renewable energy field as they consider higher education choices.

Data from the wind turbine, solar array systems, and weather station will be available inside the school and science labs as well as online to Windham residents through the planned for monitoring system.

This project is entirely privately funded and for the benefit our kids. No public funds will be used.

"Friend" WIRE on Facebook "Windham Initiative for Renewable Energy (WIRE)". If you would like to make a tax-deductible donation, they are accepted through our partner; The Windham Endowment for Community Advancement, send a personal check payable to "Windham Endowment". (PO Box 4315, Windham, NH 03087). Donations can also be made via PayPal by clicking the "Donate" button. (A PayPal account is not required.). Please go to their web site at www.windhamendowment.org and click on the windmill.
