## **THANK YOU FROM THE WINDHAM ENDOWMENT**

The Jazz Brunch, held at Windham High School on September 26, was a tremendous success. We hope that this event, co-sponsored with the Windham Musical Arts Association, will become an annual fundraiser for Fine Arts in Windham. If you would like to relive the event or see why you should come next year, you can view a slideshow or a time-lapse movie at [www.windhamendowment.org](http://www.windhamendowment.org).

The sold-out Jazz Brunch would not have been possible without the support of many Windham residents and businesses, and to them we send our heartfelt thanks. We would like to thank the KJS Quintet in particular for their contribution, as well as the attendees and the many volunteers and businesses that donated their time, talent, and products:
