## Windham Endowment for Community Advancement Presents Checks

submitted by Diane Carpenter

Stacey Bruzzese from the Windham Endowment presented checks to John Hollinger and Mike Jonas from the Windham Actors Guild (WAG) and Mike Carchia from the Windham Community Band (WCB). These gifts were made possible from the successful Jazz Brunch held last month at the high school. The proceeds from the event were split between WMAA and the Endowment. The Endowment distributed their proceeds to their fine arts account as well as sharing it with two local organizations.

For more information about the WAG you may go to [www.windhamactorsguild.com](http://www.windhamactorsguild.com). Their first show will be at the high school the weekend of January 14-16, 2011.

For more information about the WCB you may go to [www.windhamcommunityband.com](http://www.windhamcommunityband.com). They will be playing in Windham at both the Christmas Tree Lighting on December 11 and at the Holiday Concert, which will be at the high school on December 19.

The Windham Endowment's next event is on November 5th at Searles Castle: Casablanca – An Evening at Rick's Café. For more information or to purchase tickets, please go to [www.windhamendowment.org](http://www.windhamendowment.org). The Endowment is proud to support Fine Arts in our community and would like to thank everyone for their continued support of our work.
